Bismillah al Rahman al Rahim

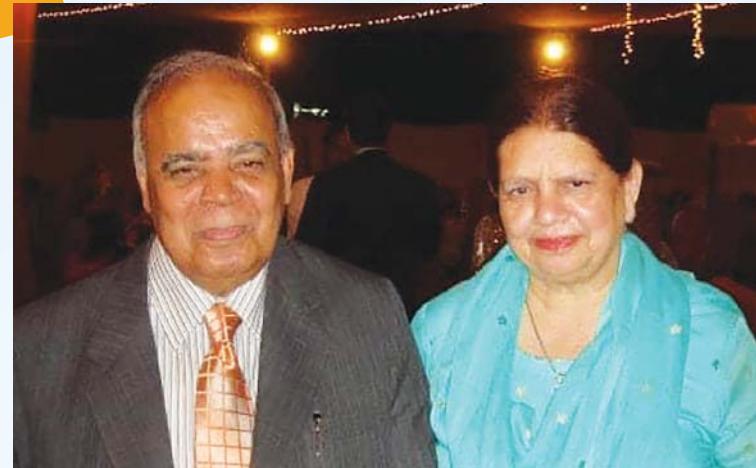

"In the name of Allah, most Gracious, most Compassionate"

The Arabic phrase shown above is pronounced as *Bismillah ir-Rahman ir-Rahim*, and is a beautifully poetic phrase which offers both deep insight and brilliant inspiration. It has been said that the phrase *Bismillah ir-Rahman ir-Rahim* contains the true essence of the entire Qur'an, as well as the true essence of all religions.

Muslims say this phrase when embarking on any significant endeavor, and the phrase is the major pillar of Islam. This expression is so magnificent and so concise that all but one chapter of the Qur'an begins with the words *Bismillah ir-Rahman ir-Rahim*.

Letter to my father

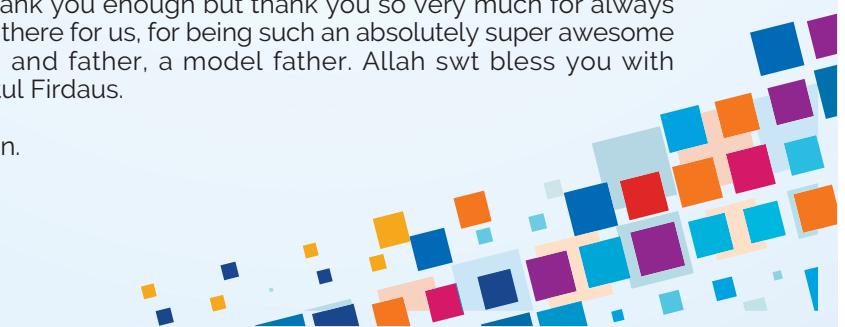

Rotary Year as District Governor dedicated to my visionary Papa and Mummy

Dearest, Papa

I can not express in words how fortunate and blessed we are to have had a truly great and honourable father like you. A genius self made man who never stood second in life despite losing his mother at age eight and father in Grade 9. You have always been my light and my guide. Your kind and keen attention in grooming and educating us along with mummy has made all the difference in our lives. Every father loves his children but your love, affection and care was unique. The way you rejoiced on our successes with tears of joy in your eyes made our hard work worth its while.

Every moment spent with you has been an honour and a source of inspiration and solace and bliss for us - your children and grand children. You were a true personification of Rotary's 4-way test to say the least. Each one of us is a part of you and mummy. You live inside us. We cherish your memories rather the whole of your honourable celebrated life. Although we can not thank you enough but thank you so very much for always being there for us, for being such an absolutely super awesome friend and father, a model father. Allah swt bless you with jannatul Firdaus.

Ameen.

HISTORY OF

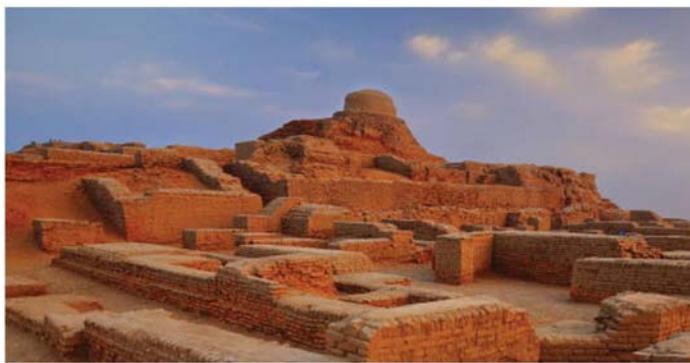

SINDH

PAKISTAN

The word Sindh is derived from the Sanskrit language and is adapted from the Sanskrit term Sindhu which literally means river hence a reference to Indus River. To derive the name this region from the river is most apt because without the mighty Indus flowing through it, Sindh would have been a barren desert. It was in Sindh where one of the earliest, world-renowned, Indus Valley civilization (2300 BC – 1760 BC) flourished. The Indus Valley civilization is considered a marvel in social set-up and communal living. Sindh covers an area of 58,000 square miles. Its capital is Karachi. Spelling of its official name as Sind was discontinued in 1988 by an amendment passed in Sindh Assembly.

*Sindhu in might surpasses all the streams that flow.
His roar is lifted up to heaven above the earth;
He puts forth endless vigor with a flash of light.
Even as cows with milk rush to their calves,
So other rivers roar into the Sindhu
As a warrior-king leads other warriors,
So does Sindhu lead other rivers*

SERVE TO
CHANGE LIVES

HISTORY OF

BALOCHISTAN

PAKISTAN

Balochistan consists of the south west of Pakistan. In the west it borders with Afghanistan and Iran and in the south it has the Arabian Sea. It accounts for nearly half the land mass of Pakistan and only 3.6% of its total population. The province is immensely rich in natural resources, including oil, gas, copper and gold.

Before the partition of India and Pakistan, Balochistan consisted of four princely states under the British Raj. These were Kalat, Lasbela, Kharan and Makran. Two of these provinces, Lasbela and Kharan, were fiduciary states placed under Khan of Kalat's rule by the British, as was Makran which was a district of Kalat. Three months before the formation of Pakistan, Muhammad Ali Jinnah had negotiated the freedom of Baluchistan under Kalat from the British. This resulted in a communique on August 11, 1947.

There are five main public universities and many private educational institutes in Balochistan to deliver the increasing demands for the province,

*Balochistan University of Engineering and Technology
Balochistan University of Information Technology and Management Sciences
Command and Staff College
Sardar Bahadur Khan Women University
University of Balochistan*

Rotary

Rotary International

Official logo & masterbrand signature

For many years, Rotary wheel stood alone as logo on signage and communications materials. Although the words Rotary International were embedded in the wheel, they were hard to read from a distance. As a result, the general public did not always recognize Rotary's involvement in a project or activity.

That's why Rotary International decided to expand official logo to include the word "**Rotary**" next to the wheel.

This is RI official logo and masterbrand signature, which should be used whenever possible.

The Rotary wheel is our mark of excellence. In addition to being a component of our official logo, it may be scaled up for greater impact and used separately but in close proximity to the masterbrand signature.

SERVE TO CHANGE LIVES

"Rotary kindled the spark within me to look beyond myself and embrace humanity."

Shekhar Mehta
Rotary International President-elect

The 2021-22 presidential theme, **Serve to Change Lives**.

Incoming Rotary International President Shekhar Mehta urged members to become more involved in service projects, saying that caring for and serving others is the best way to live because it changes not only other people's lives, but also our own.

Mehta encouraged and inspire Rotary and Rotaract members to participate in projects that have measurable and sustainable impacts. He's asking each club to conduct a Rotary Day of Service.

Focusing on diversity, membership

For the 2021-22 Rotary year, Mehta wants members to focus their efforts on empowering girls and ensuring their access to education, resources, services, and opportunities so that future generations of women leaders will have the tools they need to succeed. Mehta asked members to use Rotary's belief that diversity, equity, and inclusion is critical in all we do as a compass to guide this work.

To be able to do more through service, Rotary needs to increase membership, Mehta said. Membership has hovered around 1.2 million for the past two decades. He challenged the incoming governors to be catalysts in their districts to help increase membership to 1.3 million by 1 July 2022. Mehta's Each One, Bring One initiative asks every member to bring one person to join Rotary within the next 17 months.

Increasing membership while also continuing our commitment to eradicating polio, fighting COVID-19, and serving our communities is an ambitious goal. "And that should excite you," Mehta said. "Rotarians love challenges."

Rotary International News - March 2009

Message

Shekhar Mehta

Rotary Club of Calcutta-Mahanagar, West Bengal, India

13 April 2021

Dear fellow Rotarians:

We have been through trying times together. We have helped the world cope with uncertainty and adapt to rapid change. Now is the time for us to dream big, for us to take on major challenges, to do more and grow more, and most of all, for us to care for and share with others.

This year, we note all the ways that we Serve to Change Lives. Service is the rent we pay for our time on earth and we will expand Rotary service as we "grow more and do more." We will grow through "Each One, Bring One." If every Rotary member could bring just one person to Rotary, there is no limit to how much we can grow. We will do more by putting a special emphasis on empowering girls, so young women can have improved opportunities worldwide. We will also feature Rotary Days of Service, so that all members share in our good works around the globe and look for new ways to serve beyond their backyards.

It is our attitude that defines service. We all have a great opportunity to lead by example and to inspire each other to participate in projects that have a measured and sustained impact.

The District Board has assumed important responsibilities and I thank them for this hard work. They have made a commitment to help grow Rotary, adapt to the digital future and make Rotary more appealing to younger generations.

Your good work will help us serve our communities and help Rotary thrive so we can Serve to Change Lives.

Kindest regards,

Shekhar Mehta

Dr. Aftab Imam Rotary Club of Karachi Crown

Grow Rotary through a positive feedback mechanism of: Do more to Grow more and Grow more to Do more. To me is the theme of Rotary District 3271 forever. Always more and always better is our motto in service, profession and personal life under the Rotarians' DNA of the 4 way test. Excellence, highest form of integrity and leadership are the hallmark of true Rotarians.

It is upon us to focus on the ROB (Return on brain) rather than ROI(Return on investment). We are at the cusp of the social age. Leverage the social media. Leadership is about inviting people to come to work with their brains. Leaders create an environment in which people love to work. Behaviors are like plants. Which ones are you watering and which ones are you stamping out. Value and appreciate people. Focus on your behavior: What you(l) will start doing? (e.g information is exchanged freely), you(l) stop doing? (e.g micro-manage), continue doing?(rewarding good work).

What is the greatest threat to organizations? Not using talent and status quo. We ought to be ware. Most organizations are suffering from the boiled egg syndrome: they are boiled frogs who cannot tell that the temperature has changed. Consider your behavior and how your clubs are run. Decide what you want to change and what the desired outcome is. Experiment with your behavior. Behavior is the function of the person and the situation: Work to change the environment to a high performance environment. You affect the environment much more than you think you do. Keep trying tricks to keep you honest. Turn off your default settings and focus on your strength. Fixing your weakness is damage control not development. Damage control can prevent failure but it will not elevate you to excellence. Capitalize on strengths not weakness. Generate your own feedback and process that data from your own experience. Change behavior. Do things differently in small steps. Ask questions. Questions are more useful than answers. Questions are tools-they educate you.

Break the monopoly over writing, processing, getting and implementing Global Grants. Learn. Do it yourself.

Know what DEI (Diversity, Equity and Diversity) we are to achieve in Rotary clubs mean. Despite the renewed energy around DEI, there remains a noticeable lack of clarity around each of these terms. Diversity is about perspective, representation, tough conversation, and supporting inclusion. Inclusion prompts answers about creating environments conducive to feedback, supporting diversity, and being open. Equity is fairness, sameness, and valuing diversity and inclusion.

Finally please understand and implement the Rotary recommended best practice based **Club Leadership Plan** in your clubs (see page 122 & 123) to take your clubs to the next level. Brainstorm engaging every Rotarian (no Rotarian left behind policy) in your planning and projects/activities through holding quarterly clubs assemblies. Have a long term plan. Draw up an annual plan dovetailing into the long term plan. Impart Rotary knowledge to members old and new. This will address the twin questions especially for new and prospective Rotarians : what's in it for me ? and the Why ?

Dear leaders now is your time. It's time to deliver. To Grow Rotary. Gird your loin and hitch your wagon to the stars. Time and tide wait for no man or woman. Whatever is to be done is now. Allah Almighty swt has bestowed upon you a great honour and His kind favour - the opportunity to **serve (fellow beings) to change (their) lives**. So show your worth by your work - your performance this year and the ensuing years of your life - making it well lived leaving behind a wonderful legacy for our progeny.

Lots of love and prayers

Biography

Dr. Aftab Imam Rotary Club of Karachi Crown

by Rtn. Syed Kashif Rafi and Rtn Waqar Ahmed Shaikh.

Dr. Aftab Imam is a true Rotarian simply put. He embodies the 4 way test. He is the 4 way test in action. An all-rounder in life: a keen sportsman and avid reader of books with a passion for community service he is available for family and friends twenty four hours of the day. In his words: "I am very fortunate to have had parents like my mother and father. The values and principles I learned from them have influenced my decisions in life. Love for animals, that real happiness comes from helping others, the virtue of honesty and high thinking, love of reading, the value of hard work and being content I got from them. It is because of the way father a doctorate in Mathematics introduced me to Mathematics that I enjoy Mathematics to this day. I grew up observing mother supporting destitute families. Rotary's 4 way test I learnt from my parents and grant parents."

A Rotaractor turned Rotarian he has been an extremely active Rotaractor of the Rotaract Club of Hyderabad, Sindh.

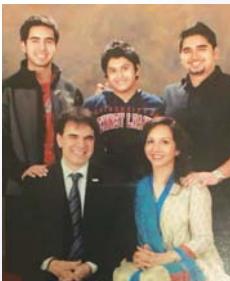

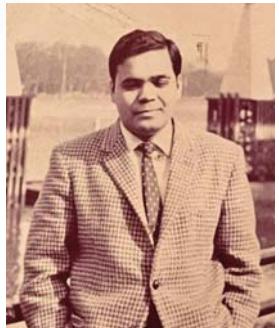

A graduate of the Institute of Business Administration, Karachi, Pakistan and University of Pennsylvania, USA he loves to teach. He has been teaching Leadership and motivation, Entrepreneurial Leadership, Managing people in the Organization, High Performance Leadership, Corporate Finance, Horse-back riding and Rotary's Club Leadership Plan.

A keen sportsman he has played most sports including football, Polo, Cricket and hockey to name a few.

In recent year his passion is to spot leadership potential among the youth (Rotaractor and Rotarians included) and groom a crop of new leadership by providing leadership experience through participation in various fellowship, service, training projects and programs. He is inspiring others to find their voice which is the voice of the human spirit full of hope and unbounded potential to serve the common good.

He is fortunate to have a loving and caring wife, Fouzia and three endearing sons Nuvair, Nusair and Saad.

Rotary Club of Nawabshah

Initially as a rotaractor followed by my role as a District Rotaract Representative and then my journey in rotary; I always promoted building strong partnerships between Rotary & Rotaract. The latest initiatives from the Rotary International leadership has given a new direction to Rotary and Rotaract relationship. Rotaractors can now also become Rotarians and this will now give both more opportunities to collaborate and serve.

As part of my program to serve rotary I have always been giving importance to Rotarians having Rotaract background and so will I be doing while I am planning for our year 2022-23. One of the best companions of the time who have always been dedicatedly working for the betterment of Rotary and Rotaract with me is PDRR. Rtn Raza Tabish.

It gives me immense pleasure to announce the appointment of PDRR. Rtn Raza Tabish as the District Secretary (2022-2023).

In-sha-Allah - he will utilize best of his experience of Rotaract to bring best of all in our vision to make Rotary as the most influential organization in our district. Looking forward for the best of all in the years to come !

Rotary Club of Karachi Bay

Dear Fellow Rotarians,

Of the many tasks which confront the incoming District Governor one of the most time consuming task is to make an effective team which is capable enough to implement the vision of the District Governor. Making the team known to the District the District Governor ensures that his District Directory is printed well in time and distributed to all the Clubs. Having intimately known our District Governor Dr Aftab Imam, I am sure that this arduous task will be completed well in time.

I have always felt that the collective efforts of all in our District will bear fruit. We all have to implement the mission of our District Governor. Rotary International desires that we lay special emphasis on Grow Rotary. It is a task which is doable if we all work in unison to achieve it. I for one wish our Governor the best of luck in achieving his targets during his tenure.

To make a difference in someone's life one does not have to be rich, brilliant or beautiful. If you are caring enough you can make a difference and that is what Rotary teaches us. If we can think well of others we have done more than half the task. I wish our District Governor Dr Aftab Imam the best of luck in all his undertakings. Our unflinching support for the betterment and growth of our District is what we all should aim for.

CITATION GOALS AND INSTRUCTIONS

CITATION GOALS AND INSTRUCTIONS

To be eligible for the Rotary Citation, clubs need to begin the year as active clubs in good standing - or having paid each invoice balance in full upon receipt. To verify that your club is in good standing, check your daily club balance report under Club Administration > Club Finances. You should have an outstanding balance of \$0.00. Invoices are due when they are posted, in mid-January and mid-July.

Rotary club leaders can go into Rotary Club Central and select at least 13 out of 25 goals they wish to apply toward citation achievement. This flexibility allows clubs to choose the goals that are most relevant and achievable. In addition, many goals will be self-reported by marking "achieved" in Rotary Club Central.

To achieve the citation:

- Go to Rotary Club Central
- Review the 25 available goals
- Select at least 13 goals (or more than 50% of the available goals)
- Achieve those goals
- Report achievement in Rotary Club Central

Once you are in Rotary Club Central, navigate to the Goal Center, select the year, and click on the All tab to see the goals.

RI DUES

The dues that club pays to Rotary International (RI) allow the secretariat to provide quality and efficient support to Rotarians worldwide. To make invoice simple and easier, RI introduced a one-page club invoice that clearly states the amount owed for subscription fees (only those collected by Rotary), membership dues, and outstanding balances.

If you want to pay your current RI dues online, go to the Club Administration page, <https://my.rotary.org/en/login?destination=https%3A//my-cms.rotary.org/en/manage/club-district-administration/club-administration> sign-in, and scroll down the page to the Club Invoice section. Please note that online payments can only be made through credit card. Fiscal Agent Office will not issue any official receipt for direct online payment.

Your club invoice is calculated by the number of members in Rotary's database on 1 January and 1 July. **Therefore, it is prudent that club officer(s) should register new members and remove terminated members by 1 January or 1 July, whichever is sooner.** Please remember that membership is calculated based on a member's admission or termination date, and **NOT** the date the change was entered.

All club invoices are due and payable upon receipt and the amount due is not adjustable. Club dues still must be paid even if you have not received the invoice.

Particulars	Period	Half Yearly Dues	Due Date of Payment
1. Per Capita RI Dues	July - Dec, 2021 Jan - June, 2022	US \$ 35.00 US \$ 35.00	July 01, 2021 Jan 01, 2022

Rotary Club of Karachi

Dear DGE Aftab Imam,

Congratulations on being elected District Governor for the year 2021-22. The New Year that will commence on the first of July 2021, will provide opportunities for a better tomorrow; it will instill hope and optimism, as we say farewell to a year filled with several challenges.

Pakistan has made significant progress in the polio eradication program. Our front line workers have made strides not to just contain the transmission of polio virus, but have played a pivotal role in advocacy and awareness to cope with the Covid-19 pandemic where the virus has been rampant in several countries across the world.

A pandemic that has never before struck every part of the world, caused so much havoc, fear and deaths. It has affected our way of life, economic and financial stability but most of all - our freedom of movement.

The Rotary Foundation fosters an enabling environment to advance world understanding, goodwill, and peace through the improvement of health, the support of education, and the alleviation of poverty. Rotarians are the catalyst of change and have worked wonders during the Covid-19 pandemic, with communities to impart information on the vaccine, SOPs and social distancing.

The credit must also be handed to our front line polio vaccination staff/Rotarians/civil society and activists that took control of the situation and disseminated awareness information to protect them from contracting the virus.

The polio virus was also contained during this pandemic as polio teams created advocacy for Covid-19 and polio.

With vaccines available for Covid-19, people have realised that "vaccines work." This has been a blessing for the Oral Polio Vaccine (OPV), as people have come forward to vaccinate children in campaign rounds.

Let us create synergy and continue to work together with our polio partners to rid our country of this debilitating disease and make Pakistan 'polio-free'.

Acceptance of every human being for plainly just being another human, ignoring and abolishing biased social views, prejudice, and racism in the process. Being a humanitarian is being able to recognize humanity amongst all of us, once we accept all humans have same equal desires and basic needs, the work itself is just a natural extension. It is of utmost importance that one should always respect and recognize human dignity and then conduct humanitarian work which focuses on human dignity.

Some 25 years back I found Rotary. When I asked why chosen this role, my reply was "**because working for humanity is universal, it holds no boundaries, no cultures and no religion; it brings me closer to people who are also involved in the same field and gives me great pleasure to work with them.**"

Lead Rotary's polio eradication efforts in Pakistan for the past several years, has worked closely with partners and stakeholders, including WHO, UNICEF, the Expanded Program on Immunization (EPI), government officials, religious scholars, celebrities, and corporate executives from multinational companies and Rotarians from around the world.

Recipient of:

- Recognition by USA Congressman Hon. Daniel M. Donovan, JR.

Dear Aftab & Fouzia

Rotary Greetings to you & all !

Uzma joins me to share our felicitations with you both in getting installed as the RI District 3271 (Pakistan) 2021-22 Governor and First Lady, respectively.

After extensive strategic planning and comprehensive preparations, now is the time to perform. It is time to bring all your dreams and vision into action. I am sure you will inspire the Presidents of each & every club in RI District 3271 taking Rotary to new heights of success. The initiatives you have taken while preparing your year, certainly depicts your quality as a leader. Am sure during 2021-22 you will have the most joyful and outstanding Rotary year.

The challenges are indeed many and within these challenges are opportunities to serve. The desire of doing good to others combined with the passion and love for your fellow human beings will all become your most invaluable assets.

Reaching the Communities with outstanding service projects will be your collateral not just to brand Rotary but to also expand your reach bringing more members for more service.

The RI President Shekhar Mehta's challenge to Grow Rotary with the target of Each One Bring One; alongwith our own challenge to Grow Rotary Pakistan in accordance to the population density will all help towards the continuing commitment for eradicating polio, fighting Covid 19 and initiating numerous outstanding projects as well as activities during year 2021-22.

Please remember that .."serving others is the best way to live in this world"as you will be **adding value to their lives**; which is the best way to invest in them. It's also one of the few ways to get others to believe in you and cherish your legacy. We all are lucky that some one at some time invested in us and we owe a bit of gratitude, respect and attention to all of them. At some point of time you will also be cherished by those who will be benefitted by you and that will be the justification for your successful presence in this world and the life hereafter.

*Rotary Club of Karachi Kehkashan
District Chair, Rotary Pakistan Literacy Mission*

There are three important pillars of Rotary, Membership, Rotary Foundation and Public Image. One of the key priorities of Rotary International's Strategic Plan is to enhance Public Image which is a reflection of the perception of an entity i.e. Rotary.

Public image is made up of three elements: what does an organization believes in __ its **Core Value**; what do their members do in the community, how do they treat people who interact with them, their **Behaviours**, and lastly, the **Visual Images** they project to the public. And therefore, an organization's credibility is as important as its visibility.

It is a fact that low level of awareness and lack of understanding of Rotary's good work in our communities hindering our membership growth and hampers humanitarian initiatives.

With so much enormous resources like universalism of Rotary, galaxy of international diversified leadership, series of exemplary service projects worldwide, force of 1.2 Rotarians, we can do a lot to enhance the Rotary's Public Image in its true perspective.

You will appreciate that for the first time in the history of Rotary Pakistan, Rotary Pakistan Media Centre (RPMC) was launched by RI President Ian Riseley during his visit to Pakistan in December 2017. RPMC is a Public Image Building Program having a vision to elevate the importance and relevancy of Rotary's motto "Service above Self" and help improving the quality of life of fellow human beings though it's various humanitarian program. Besides, its mission is to enhance the image of Rotary by promoting the activities of grass root level Rotarians highlighting their efforts through numerous public Image programs in Pakistan.

All affairs of RPMC will be governed by a Board of Trustees who are from Rotary District 3271 & 3272. The Trust Deed of the Board is under execution. As per objectives, the RPMC will ensure:

- * To build up a good image of the Rotary and create awareness in the community what the Rotary is doing in Pakistan.
- * To highlight all the activities of the Rotary Clubs in Pakistan via the data center to inform & motivate clubs members.
- * To facilitate in achieving RI's main overall goals in Pakistan of eradicating Polio & increasing literacy.
- * To increase Rotary Club membership.

PP Abu Majid Idris of RCK Karsaz is the District Chair, Public Image Committee.

Here, I would like to mention that each and every Rotarian is a Brand Ambassador of Rotary. Rotary's Public Relations or Public Image is the responsibility of each and every Rotarian. I am sure that during the tenure of District Governor Dr. Aftab Imam, we will be able to further enhance the Rotary's public image. I urge all the club presidents to constitute Public Image Committees at club level for attaining better results. Please share your success stories for posting on following

*"We were a dying club in many ways.
The Club Leadership Plan has been the lifesaver of this club."*

Strengthen Your Rotary Club by Implementing the Club Leadership Plan

The Club Leadership Plan, an extension of the District Leadership Plan, is vital to the stability, growth, and success of Rotary during our second century of service. It provides clubs with an administrative structure to standardize their procedures and guide their activities in pursuit of the Object of Rotary.

The Club Leadership Plan begins by having Rotary clubs develop standard procedures for continuity, communication, and Rotarian involvement. The plan includes strategic planning and goal setting using the *Planning Guide for Effective Rotary Club*. Its simple committee structure focuses on the central functions of a club and can be expanded to address club service goals and fellowship.

The Club Leadership Plan provides the basis on which each club builds its own identity. The nine steps for implementation are functions that all Rotary clubs need to address to be effective. A club may address these functions in any way it chooses. This flexibility allows the Club Leadership Plan to be implemented throughout the Rotary world. The Club Leadership Plan is supported by the new Recommended Rotary Club Bylaws, the Rotary leadership development cycle (including the presidents-elect training seminar and district assembly), the *Planning Guide for Effective Rotary Clubs*, and the *Memo of Club Visit*.

The Club Leadership Plan has been proven successful by clubs around the world and is the suggested structure for both new and existing Rotary clubs. All clubs should review the plan and determine which practices are already in place and which would benefit the club. Assistant governors should assist club leaders with their assessment and support their efforts to implement the plan. Implementation of the Club Leadership Plan will result in an effective club that is able to improve its community and the world.

For more information, contact your RI Club and District Administration representative. For a copy of the new Recommended Rotary Club Bylaws, visit the Download Center of www.rotary.org.

The purpose of the Club Leadership Plan is to strengthen the Rotary club by providing the administrative framework of an effective club. The elements of an effective club are to:

- Sustain and/or increase its membership base
- Implement successful projects that address the needs of its community and communities in other countries
- Support The Rotary Foundation through both financial contributions and program participation
- Develop leaders capable of serving in Rotary beyond the club level

To implement a Club Leadership Plan, current, incoming, and past club leaders should:

1. Develop a long-range plan that addresses the elements of an effective club.
2. Set annual goals using the *Planning Guide for Effective Rotary Clubs* in harmony with a club's long range plan.
3. Conduct club assemblies that involve members in the planning process and keep them informed of the activities of Rotary.
4. Ensure clear communication between the club president, board, committee chairs, club members, district governor, assistant governors, and district committees.
5. Provide for continuity in leadership, including the concept of succession planning to ensure development of future leaders.
6. Amend bylaws to reflect the club committee structure and roles and responsibilities of club leaders.
7. Provide opportunities to increase fellowship among members of the club.
8. Ensure that every member is active in a club project or function.
9. Develop a comprehensive training plan that ensures
 - Club leaders attend district training meetings
 - Orientation is consistently and regularly provided for new members
 - Ongoing educational opportunities are available for current members

Club leaders should implement the Club Leadership Plan in consultation with district leaders as described by the District Leadership Plan. The plan should be reviewed annually.

Club Committees

Club committees are charged with carrying out the annual and long-range goals of the club based on the four Avenues of Service.

The president-elect, president, and immediate past president should work together to ensure continuity of leadership and succession planning. When feasible, committee members should be appointed to the same committee for three years to ensure consistency. The president-elect is responsible for appointing committee members to fill vacancies, appointing committee chairs, and conducting planning meetings prior to the start of the year in office. It is recommended that the chair have previous experience as a member of the committee. Standing committees should be appointed as follows:

- **Membership**
This committee should develop and implement a comprehensive plan for the recruitment and retention of members.
- **Club Public Relations**
This committee should develop and implement plans to provide the public with information about Rotary and to promote the club's service projects and activities.
- **Club Administration**
This committee should conduct activities associated with the effective operation of the club.
- **Service Projects**
This committee should develop and implement educational, humanitarian, and vocational projects that address the needs of its community and communities in other countries.
- **The Rotary Foundation**
This committee should develop and implement plans to support The Rotary Foundation through both financial contributions and program participation.

Additional committees may be appointed as needed.

Training Requirements

Club committee chairs should attend the district assembly prior to serving as chair.

Relation to the District Leadership Team

Club committees should work with assistant governors and relevant district committees.

Reporting Requirements

Club committees should report to the club board on the status of their activities on a regular basis and at club assemblies, as appropriate.
